SUMMIT SCHOOL

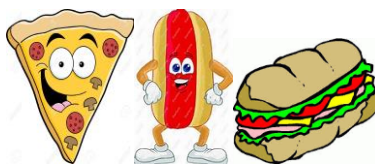

SPRING 2017

Pasta Night was a hit with parents and students alike. DJ Frankie P. brought down the house, took song requests and made general announcements throughout the evening. With the guidance of our in-house Chef JJ and their teachers, TECC students prepared and served us. We ate, danced and were merry. Thanks to all our volunteers for all the countless hours that made this evening a night to remember. Thank you to the teachers and staff who gave up their time to support this community event as well as all our generous sponsors who made it affordable for all to have a fun, family night out. We even managed to raise over \$1000!

Staff and Teacher Appreciation Day was a wonderful success. Parents and students brought in an amazing array of multicultural dishes and we served our teachers and staff a bountiful and delicious buffet. A heartfelt thanks to all our generous families who gave so much to praise and feed our beloved staff.

It's *your* Parent Committee. If you want to give back to the wonderful school that is teaching your child, please join us. We always need volunteers to help with meals and to support some of our seasonal fundraisers.

We have plans and innovative ideas but without "mom-power" we are unable to execute them. Your presence can help so much.

If you don't have the time, but wish to participate in other ways, please call us or send us a note.

We meet every Wednesday, from 9:30 to 12:30. You are welcome any time!
